

BAC 2009 Community Arts Regrant Program

About Fiscal Sponsorship

What is a fiscal sponsor? A fiscal sponsor is a nonprofit (tax-exempt) organization that agrees to receive funds for your project and pass them on to you. A fiscal sponsor is not someone who directly funds your project.

Since most grant funding is awarded to nonprofits rather than to individuals, obtaining a nonprofit fiscal sponsor can increase the number of grant opportunities you can pursue.

How do I find a fiscal sponsor? A good way to begin looking for a fiscal sponsor is to speak with organizations in your neighborhood, or research organizations that work in your areas of interest or who might be interested in your work. Visit the page titled 'Fiscal Sponsorship' on the BAC website to access links to further information and to download a template of a letter you can use when approaching potential fiscal sponsors.

Individuals do not need a fiscal sponsor to apply for a **BAC DCA Regrant**, but may apply with a fiscal sponsor if they prefer. DCA Regrant fiscal sponsors must:

- Be based in NYC
- Have 501(c) (3) IRS nonprofit status
- Not have received funding from DCA (or through a legislative member item administered by DCA) for FY 2009

If your fiscal sponsor is also applying this year for a BAC DCA Regrant, your fiscal sponsor's request *plus* your request must not exceed \$4,000.

Individuals and organizations without nonprofit status **MUST HAVE** a fiscal sponsor to apply for a **BAC NYSCA Regrant**. NYSCA Regrant fiscal sponsors must:

- Be Brooklyn based
- Have one of the following forms of official nonprofit status: US Internal Revenue Service under Section 501(c) 3 (a vendor tax exempt certification is not valid); NYS Not-for-Profit Charter from Board of Regents under Section 216 of the Education Law; NYS Charities Registration (Article 7A), with the organization's registration number; or Certificate of incorporation under S.402 of the NYS Not-for-Profit Law.
- NOT have applied directly to NYSCA for funding for Fiscal Year 2009 (whether or not they *received* funding)

If your fiscal sponsor is also applying this year for a BAC NYSCA Regrant, your fiscal sponsor's request *plus* your request must not exceed \$5,000. **BAC cannot be a fiscal sponsor for a NYSCA Regrant.**

The following is a list of Brooklyn organizations that have applied to NYSCA directly for the current fiscal year. **Any organization on this list is ineligible to apply or serve as a fiscal sponsor for a 2009 BAC NYSCA Regrant.**
