VII. REVIEW CRITERIA FOR ALL GRANTS:

Funding priority will be given to individual artists or nonprofit arts organizations whose primary mission is to provide arts and cultural programs at the community level, and for activities that serve traditionally underserved communities and neighborhoods in Brooklyn. A diverse panel of artists, arts professionals, educators and local civic, business and community leaders reviews applications. The review panel recommends a level of funding according to the following equally important criteria:

- A. Quality and artistic merit of the proposed project.
- B. Clarity of the project description and application narrative.
- C. Demonstrated community interest in and support for the project.
- D. Audience and community benefit to be derived from the project.
- E. Non-duplication of similar existing programming in the same geographic area.
- F. Quality of the project budget (i.e. does the budget match the project description, is there a variety of sources of income, is there a demonstrated need for funding?).
- G. Clearly defined ability to successfully complete the project.

VIII. APPEALS:

An applicant not recommended for funding by the Review Panel and wishing to appeal must initiate a formal appeal in writing to the Regrant Coordinator within ten (10) business days after the postmark date on the denial letter. A separate Appeals Panel will meet to examine the grounds for the appeal, and to determine whether the appeal is justified. (**Please note:** the quality of the project in question will not be revisited by this panel.) Organizations or artists who receive funding at less than the request amount are not eligible to appeal.

The only grounds for appeals are:

- A. Non-presentation of pertinent information, which was included in the application;
- B. Misrepresentation of pertinent information; or
- C. Improper procedure.

IX. GRANTEE RESPONSIBILITIES (Non-Compliance may effect future funding)

All Regrant recipients must:

- A. Sign a BAC contract stipulating the amount of the award and the project's exact start and end dates;
- B. Include the appropriate credit line on all promotional materials. (Exact wording is provided in the contract);
- C. Provide BAC with applicable publications and promotional materials at least three weeks in advance of the funded project and provide at least two complimentary tickets to the funded event (if applicable);
- D. File a final report no later than 30 days after the funded project is completed.
