

September 11th Remembered in Film

Each year BAC Folk Arts addresses New York's September 11th anniversary with a special memorial project. For the sixth anniversary, we present **September 11th Remembered in Film**, a screening of independent documentary and interpretive works. Primarily made by Brooklyn artists, the films are wide-ranging and revelatory, adding new dimension to our understanding of September 11th and its aftermath. Screenings and discussions with the filmmakers will take place on four evenings.

September 7-10, 2007
6:00-9:00 p.m. at BAC
55 Washington St., Suite 218
or enter at
111 Front Street

To help promote discussion, each evening centers around a theme. We invite you to renew through remembrance.

September 11th Remembered in Film is presented in conjunction with the Brooklyn Arts Council International Film Festival. BAC Folk Arts is supported by funding from Con Edison. BAC programs are made possible, in part, with public funds from New York State Council on the Arts, New York City Department of Cultural Affairs, New York City Council and the Brooklyn Delegation of the New York City Council.
